SOFT SKILLS

- Quickly adapt to the environment
- Communication
- Leadership
- Openness on variations
- Assertiveness
- Diligence
- Intuitiveness

PERSONAL DATA

All the time, technologies and machines were an interesting theme for me. I like creating programs and internet pages. My purpose is to be a full-stack programmer and have the opportunity to work from anywhere in the world. I'm going toe-to-toe with the latest world solutions and learning things that are most in demand. I'm also progressing in studying languages for efficient and reliable communication with clients or coworkers.

EDUCATION

2022 -

COLLEGIUM DA VINCI

- informatics

2022

-

2011

LESIA UKRAINKA SECONDARY SCHOOL I-III LEVELS NR 15

- School

I agree to the processing of personal data provided in this document for realising the recruitment process pursuant to the Personal Data Protection Act of 10 May 2018 (Journal of Laws 2018, item 1000) and in agreement with Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation).
